## ATTORNEY GENERAL

## Opinion No. 88-131

State Boards, Commissions and Authorities—Parimutuel Racing; Kansas Parimutuel Racing Act—Prohibited Acts; Ability of County Fair Associations to Wager On or Participate in Horse Race Meetings. Alfred G. Schroeder, Chairman, Kansas Racing Commission, Topeka, September 9, 1988.

A criminal statute should not be extended to embrace conduct not clearly included within the statute's prohibition. K.S.A. 1987 Supp. 74-8810(d)(3) and (e), criminal provisions, do not clearly include a county fair association licensed only as an organization licensee within their prohibition. Thus, it is our opinion that county fair associations, their directors, officers and employees are not statutorily prohibited from wagering on or participating in horse race meetings conducted in this state. Cited herein: K.S.A. 2-125 *et seq.*; K.S.A. 1987 Supp. 74-8802; 74-8804, as amended by L. 1988, ch. 315, §3; 74-8810; Kan. Const., Bill of Rights, §1; U.S. Const., Amend. Fourteenth. JLM

## Opinion No. 88-132

Constitution of the State of Kansas—Corporations—Cities' Powers of Home Rule. Senator Edward F. Reilly, Jr., 3rd District, Leavenworth, September 9, 1988.

Kansas cities have authority under the police power and article 12, section 5 of the Kansas Constitution to regulate the drilling of oil wells within their corporate limits. In our judgment, an ordinance which prohibits drilling within 1000 feet of a residential building, or which prohibits placement of a tank for storage of crude oil within the limits of a city, is not unreasonable or arbitrary, and does not deprive landowners of their property without

due process of law. Cited herein: Kan. Const., Art. 12, §5. TRH

## Opinion No. 88-133

Taxation—Liquor Drink Tax—Local Alcoholic Liquor Fund; Distribution of Moneys. Representative Barbara P. Allen, 21st District, Prairie Village, September 9, 1988.

A program designed to encourage youths to seek counseling, education, or treatment for substance abuse may be considered as aiding the prevention and education or intervention of drug and alcohol abuse. Whether this is the principal purpose of the programs in question for purposes of receiving special alcohol and drug programs fund moneys is a question of fact to be determined by the county commission in conjunction with the local drug and alcohol advisory board. Cited herein: K.S.A. 1987 Supp. 79-41a04. JLM

## Opinion No. 88-134

Banks and Banking—Banking Code; Powers—Limitations on Loans; Exceptions. W. Newton Male, Commissioner, Banking Department, Topeka, September 12, 1988.

Generally, the obligation of any person, copartnership, association or corporation to a bank may not exceed 15 percent of that bank's paid-in and unimpaired capital stock plus unimpaired surplus. Certain obligations are not included in determining the total value of liability which is to be compared with the bank's lending limit. One such exclusion is the secondary obligation of a guarantor. A guarantor promises to answer for the debt, default or miscarriage of another. Cited herein: K.S.A. 1987 Supp. 9-1104. MWS

Each play symbol for this instant game is one of the following: \$1.00, "\$2.00," "\$5.00," "\$20.00," "\$50.00," or "\$1,000.00."

The codes and their meanings are as follows: CC = \$1.00; DD = \$2.00; KK = \$5.00; NN = \$20.00 (Authorized by and implementing K.S.A. 1987 Supp. 74-8710 as amended by L. 1988, Ch. 366, § 23; effective T-111-9-7-88, Sept. 7, 1988.)

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semi-annually on March 1 and September 1 in each year, beginning on March 1, 1989.

**Place of Payment and Bond Registration**

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General. The bonds will be registered as fully registered certificated bonds.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number and denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar at least 10 days after the sale date. In the absence of such information, the city will deliver one bond per maturity registered in the name of the manager of the successful bidder. The initial reoffering price to the public by the original purchaser shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such initial reoffering price to the public shall be furnished to the city by the original purchaser at closing.

**Redemption of Bonds Prior to Maturity**

Bonds maturing in the years 1989 to 1998, inclusive, will become due without option of prior payment. At the option of the city, bonds maturing in the years 1999, and thereafter, may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the city in such equitable manner as it may determine) on September 1, 1998, or on any interest payment date thereafter at par, plus accrued interest to the redemption date.

Whenever the city is to select bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat

*(continued)*

each \$5,000 of face value of each such fully registered bond as though it were a separate bond in the denomination of \$5,000.

If the city elects to call any bonds for redemption and payment prior to the maturity thereof, the city will give written notice of its intention to call and pay said bonds on a specified date, the same being described by maturity, said notice to be mailed by United States registered or certified mail, postage prepaid, addressed to the registered owners of said bonds and to the Kansas State Treasurer, each of said notice to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

#### Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest, as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of  $\frac{1}{8}$  or  $\frac{1}{20}$  of 1 percent. No specified interest rate may exceed the index of treasury bonds published by the weekly *Credit Markets* in New York, New York, on the Monday preceding the day on which the bonds are sold, plus 2 percent. No rate specified shall be less than that specified for any early maturity. No bid of less than 100 percent of the principal amount of the bonds and accrued interest will be considered. Each bid must specify the total interest cost to the city during the term of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid must also specify the average annual net interest rate to the city on the basis of such bid.

#### Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost on the bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body of the city will determine which bid or bids, if any, shall be accepted, and its determination will be final.

#### Authority, Purpose and Security

The bonds are being issued pursuant to and in full compliance with the Constitution and statutes of the state of Kansas, including K.S.A. 10-101 to 10-125, inclusive, and 12-1302, all as may be amended, for the purpose of paying the cost of improving the city park located at 62nd and Mission Road, by constructing, reconstructing and improving the swimming pool, bathhouse and concession area and purchasing park equipment.

The bonds constitute general obligations of the city and are payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the city.

#### Legal Opinion and Tax Exemption

In the opinion of Burke, Williams, Sorensen & Gaar, Overland Park, Kansas, bond counsel, assuming continued compliance by the city with the terms of the ordinance authorizing the issuance of the bonds, under existing law, the interest on the bonds: (a) is excludable from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. No opinion is expressed regarding other federal tax consequences arising with respect to the bonds.

The Internal Revenue Code of 1986, as amended, imposes certain requirements which must be met subsequent to the issuance of the bonds in order for the interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issue on the bonds. These requirements include, but are not limited to, limitations on the use of bond proceeds and restrictions on the yield which may be earned on the investment of bond proceeds and other amounts. In the bond ordinance, the city will covenant to comply with the provisions of the code relating to the exclusion of the interest on the bonds from gross income for federal income tax purposes.

The interest on the bonds is excludable from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

The city has designated the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code.

Prospective purchasers of the bonds should be aware that: (1) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds or, in the case of a financial institution (within the meaning of Section 265(b)(5) of the code), that portion of an owner's interest expense allocable to interest on the bonds; (2) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (3) for taxable years beginning after December 31, 1986, and before January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (4) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (5) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if

greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (6) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. These categories of bondowners should consult their own tax advisers as to the applicability of these consequences.

#### **Delivery and Payment**

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company as may be specified by the successful bidder and is acceptable to the city in Kansas City, Missouri, or Chicago, Illinois. Delivery elsewhere will be at the expense of the successful bidder. The successful bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds or other funds, immediately subject to use by the city.

The number, type and denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners must be submitted in writing by the successful bidder to the city and bond registrar no more than 10 days after the sale date. In the absence of such information, the city will deliver the bonds in the denominations of each maturity registered in the name of the successful bidder. The successful bidder shall make a bona fide public offering of the bonds, and, as a condition to the city's obligation to deliver the bonds, the successful bidder must furnish to the city at least one week prior to the closing date the initial reoffering price to the public and at closing a certificate acceptable to bond counsel: (a) specifying the reoffering price at which a substantial amount (at least 10 percent of the bonds of each maturity) of the bonds was sold to the public (excluding bond houses, brokers and other intermediaries), and (b) certifying as to the accuracy of such reoffering price.

#### **Good Faith Deposit**

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America equal to 2 percent of the total amount of the bonds, payable to the order of the city to secure the city from any loss. If a bid is accepted, said check, or the proceeds thereof, will be held by the city until the bidder has complied with all of the terms and conditions of this notice. No interest will be paid upon the deposit made by any bidder. Checks will be returned to the bidders if their bid is not accepted. The check of the successful bidder will be returned to the successful bidder or deducted from the purchase price, at the option of the city. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check, or the proceeds thereof, will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms

and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages.

#### **CUSIP Numbers**

CUSIP identification numbers will be printed on certificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

#### **Bond Rating**

The city has applied to Moody's Investors Service, Inc. for a rating on the bonds herein offered for sale.

#### **Bid Forms**

All bids must be made on forms which may be procured from the city clerk/finance officer. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any and all bids.

#### **Submission of Bids**

Bids must be submitted in separate sealed envelopes addressed to the city clerk/finance officer and marked "Proposal for the purchase of the City of Fairway, Kansas, Park Improvement Bonds, Series 1988." Bids may be submitted by mail or delivered in person and must be received by the city clerk/finance officer prior to 10 a.m. C.D.T. on Tuesday, October 4, 1988, at the office of the City Clerk/Finance Officer, Fairway City Hall, 5252 Belinder Road, Shawnee Mission, KS 66205.

#### **Assessed Valuation and Indebtedness**

The total assessed valuation of the taxable tangible property within the city as of August 25, 1988, for computation of bond debt limitation, is \$13,793,691.

The total general obligation indebtedness of the city as of the date of the bonds, including the bonds being sold, is \$890,000.

#### **Official Statement**

The city has prepared a preliminary official statement dated September 21, 1988, copies of which may be obtained from the city clerk/finance officer. Upon the sale of the bonds, at the request of the successful bidder, the city will furnish the successful bidder with a reasonable number of copies thereof without additional cost. Additional copies may be ordered at the successful bidder's expense.
